## DISCOVERS THAT WE ARE "BROKE"

CHICAGO, April 20.—Major-General Count Arthur Tscherep Spiridovitch, president of the Slavic Society of Moscow, arrived in Chicago today and announced that the United States is "broke," temporarily at least, as the result of the recent financial panic. He says he has found that the kings of finance of this country are unable to put their hands down into their pockets and take out \$225,000,000 with which to carry out a proposition which he declared had been made by an American syndicate to construct a canal connecting the Baltic with the Black Sea.

The Count refused to say what syndicate made the offer, but said that it was an Eastern concern backed by men who had controlled millions before the panic, but who are now, he says, back numbers in the world of finance.

TO FIGHT REDUCTION.

WINNIPEG, Man., April 20.—A federation of all the union men employed in the shops of the Canadian Pacific and the Canadian Northern railroads was completed today. They will fight the reductions in the new schedule to a finish. The companies claim they are not going to pay all of the men the same wages, but will pay according to individual worth. This is the beginning of a big fight between all of the unions and the railways, both in Canada and the United States.

## FORGED NOTES PLACED IN BANK

LOS ANGELES, April 20.—While examining the Bank of Calexico, in the Imperial valley, State Bank Commissioner W. S. Vawter of Santa Monica was amazed to find his name forged to a note of \$1000. The commissioner came across a note for \$5000 in the name of W. S. Watson of this city, who was recently arrested on a defalcation charge, a fact to which the commissioner called the bank officials' attention. He was informed that the note was all right, being secured by two collateral notes for \$1000 each. Asking for them he saw his own name and those of Victor Ponet and M. J. Nolan affixed apparently all in the same handwriting. The other note bore the names of S. K. Lindley and T. R. Hunter, written in a similar way. All are believed to be forgeries.

## RECEIVER SENDS IN HIS REPORT

Hon. R. L. Douglass of Churchill county, receiver of the property of Murray Scott, the discoverer of Wonder, filed his report with the District Court today.

When the Scott interests became involved several months ago Douglass was placed in charge of the property and money, the latter amounting to \$50,000 in cash, while the property was easily worth \$150,000.

Since that time claims and counter claims have piled up against the property and money until there is nothing left for Scott.—Reno Gazette.

# Round Mountain Antelope Leasing Co.

Owens the Bartlett-Travers Lease on the Famous Antelope Claim at Round Mountain. The Lease Has Two Years to Run

THIS IS A SECOND GOLDFIELD MOHAWK

Two Ledges Have Been Encountered on the Property and a Shaft is Down 65 Feet

We are offering 50,000 shares only of the Treasury Stock of this company at 12 1/2 cents per share to raise money with which to continue the development work.

The sensational strike made on the Paulsen-Blaissell ground adjoins this lease. The strike was made ONLY THIRTY FEET FROM OUR SIDE-LINE, and according to surveys and the trend of the ledge IT WILL TRAVERSE OUR GROUND FOR A DISTANCE OF 300 FEET. This ledge, 2 1/2 feet wide, is phenomenally rich and eight inches of it contains specimen or picture ore that will run into the thousands of dollars to the ton, the balance averaging about \$200 to the ton. There is a custom mill within a mile of the property that will treat our ore for \$8 per ton, thus insuring a big profit. The officers and directors of the company are men of the highest standing in Nevada. Henry J. Bartlett, owner of the Round Mountain Nugget and heavily interested in different Round Mountain properties; James W. Travers, a pioneer of the district and also heavily interested in many properties there, and Mr. Gibbons, a well-known Tonopah attorney, while Mecars, Hertel and Price are men prominent in the mining industry of the state.
